**What:** As the 2017-2018 School Year came to an end, Asheville Primary School's 1st and 2nd Grade Combined Montessori Classroom made quite the presentation for Asheville City Schools administrators, explaining why the newest elementary school needed its own playground for daily recess. Well, all our students' hard work has come to fruition, as a ribbon cutting ceremony for the new recess playground is set to take place tomorrow!

Visitors, volunteers and community stakeholders have all been invited, and our students are ready to have their inaugural recess on the new equipment. Additionally, the entire campus will sing their new school song!
