Learn. Discover. Thrive

March 8, 2019

Dear Vance Elementary School Families,

As we wrap up another eventful week, which included Tuesday's Terrific Kids Celebration highlighting the characteristics of integrity and caring, the 5th Graders attended the Southern Conference Basketball Tournament Education Day. We are proud of all of our students and appreciate your commitment and support to Vance Elementary School.

I want to provide you with an update regarding the softball field.

Last week, the City of Asheville Parks and Recreation Staff presented the project in a public meeting. The City is funding the renovations at no cost to Asheville City Schools, and that is why the City has a lead role in planning the project. As of this week, their staff is in the process of compiling and considering input from that meeting.

We look forward to hearing back from the City regarding all of the input received to date on this project. We will continue to share ongoing updates about this topic via email and displays at our school and request feedback. You can read previous announcements on this topic on the ACS [website](#).

I sincerely appreciate your support and passion for the students, staff and community stakeholders of Asheville City Schools. I look forward to seeing you in our school and at school events.

Sincerely,

Principal Ruletta Hughes
